

Los Alamitos Area Chamber of Commerce Nomination Sheet

We, the Chamber, would like to recognize the men, women and businesses that help make a difference in our community. Please write down who you think made the biggest impact in our community throughout 2018.

****All nominees must be a member of the Los Alamitos Area Chamber of Commerce****

Business of the Year – provides employment, stability and enhanced quality of life for our community. Candidate criteria: must be a for-profit business that participates in community involvement and provides public outreach support, or has hosted the addition of new technology or innovation that impacts our greater community.

Please list company name, contact person, phone number and the reason you think they have made difference in the quality of life for our community

Citizen of the Year – have achievement with respect to ongoing leadership, dedication and the positive impact the individual has made in the Los Alamitos community to those who work and live here. Candidate criteria: must live in Los Alamitos or the adjoining cities, their services have not been performed as part of the normal course of their professional or business duties, rather they have contributed freely without thought of receiving any personal or financial gain. The individual's community service can include various sectors of business, industry, sports, arts, culture, environment, etc.

Please list name of nominee, phone number and reason you think this person is an outstanding citizen

Community Partner of the Year – must be a non-profit organization whose humanitarian (efforts) on behalf of those less fortunate, or those in-need, include multiple years of commitment and dedicated service that enhances the quality of life for an individual or group of people within the Los Alamitos community.

Please list the name of the Non-Profit Organization, contact name, phone and reason you think this charity did the most good
